This Month's Quiz

LAWST IN TRANSLATION?

Half of the following twenty words, when properly interpreted, can be placed into one "house," leaving the 10 others for another. (Hint: you may find a bit of a clumping amongst them because *Byrds* of a feather tend to flock together.) In a somewhat related sense, they can be separated into two other groups, these being of size 9 and 11.

Your job is to be the interpreter of the words and assign the words' numbers among the four groups.

1. STEAL

5. CASTER
6. MASSED
