This Month's Quiz

June is Busting Out All Over

The song title from Rodgers and Hammerstein's *Carousel*, has been misconstrued by this quizmaker to be a reference to a form of art, the bust. That fact, along with our daughter's birthday's falling on June 18th were the inspirations for this puzzle.

First, match these busts' numbers to the 12 named notables. Then use the busts' number to apply each individual's circled letters to a corresponding spot in the Secret Question on the next page. Extra credit: Who wrote those words? What might link them to our daughter's birthday?
