## This Month's Quiz

### The Candidates

Some of us might remember that Robert Redford starred in a very successful 1972 film, The Candidate. (As he won the presidency, the first words out of his mouth were "Now what?")

Now, 50 years later, the ten individuals whose first names are below, are candidates in forthcoming 2022 elections. Their LAST names appear in the **movie titles** listed (one is better known as a TV series and one is better known as a stage play) – but in each case that last name has been replaced by the name of the **state** of candidacy. *Party affiliations are also given in case you find them helpful for your research.*

"Now what?" You ask?

Be successful like Redford's character was and match the names to the titles!

BO - by Lerman

I hear they're serving pizza at the block party, Sharky.

Have you some favorite toppings?

Well, Bo, I'm partial to seafood ... shrimp, scampi, squid ... but of course ...

NO ANCHOVIES !

## Local Statistics on Covid-19

Foster City reported an additional 372 Covid cases in June. As in prior months, that is roughly 1% of our population getting infected in a month! (County HOSPITALIZATION rates are from:

### CONFIRMED CASES ONLY

Notes: The 3-day average is calculated using the previous three days. Out of County means the patient was transferred from an out of county facility.
